B. Surrounding Area and Neighborhood (14)	Yes	No	Not Applicable	Not Assessed	Comments
1 Which of the following best describes the environment of the campus/facility? Is the environment of the campus/facility best described as urban, suburban, or rural?					
2 Is the school adjacent to an interstate highway?					
3 Is the school off a major (4-lane) road?					
4 Is the school near an industrial area?					
5 Is the school near a transportation hub (e.g., within 5 miles of an airport, port, or bus station)?					
6 Is the school near railroad tracks (within 1,000 yards)?					
7 Is the school adjacent to a business district (e.g., grocery, convenience, fast food)?					
8 Has a neighborhood watch or partnership been established?					
9 Is natural surveillance from the neighborhood maintained, allowing neighbors and passing patrol cars to help serve as guardians of the school?					
10 Are there any hidden areas adjacent to the school that might provide intruders or students with "cover" for illicit activities?					
11 Have future development plans in the surrounding area been identified, and has the school site development planning been adjusted accordingly?					
12 Are there other community crime or community nuisance issues?					
13 Are there any businesses in the area that pose a hazard to or block the school's evacuation route?					
14 Has the size of the area around the school that will be surveyed for hazards been determined and defined?					

Please support our mission to end gun violence in schools!
